JACQUELYN DEE SCOTT

TO REMEMBER . . .

While this year's June graduation ceremony is in progress, in the hearts of many graduates will be the memory of two girls who by all rights should be receiving their diplomas with the rest of the graduates. These girls whose memory lives on are Jacquelyn Dee Scott and Joan Potter.

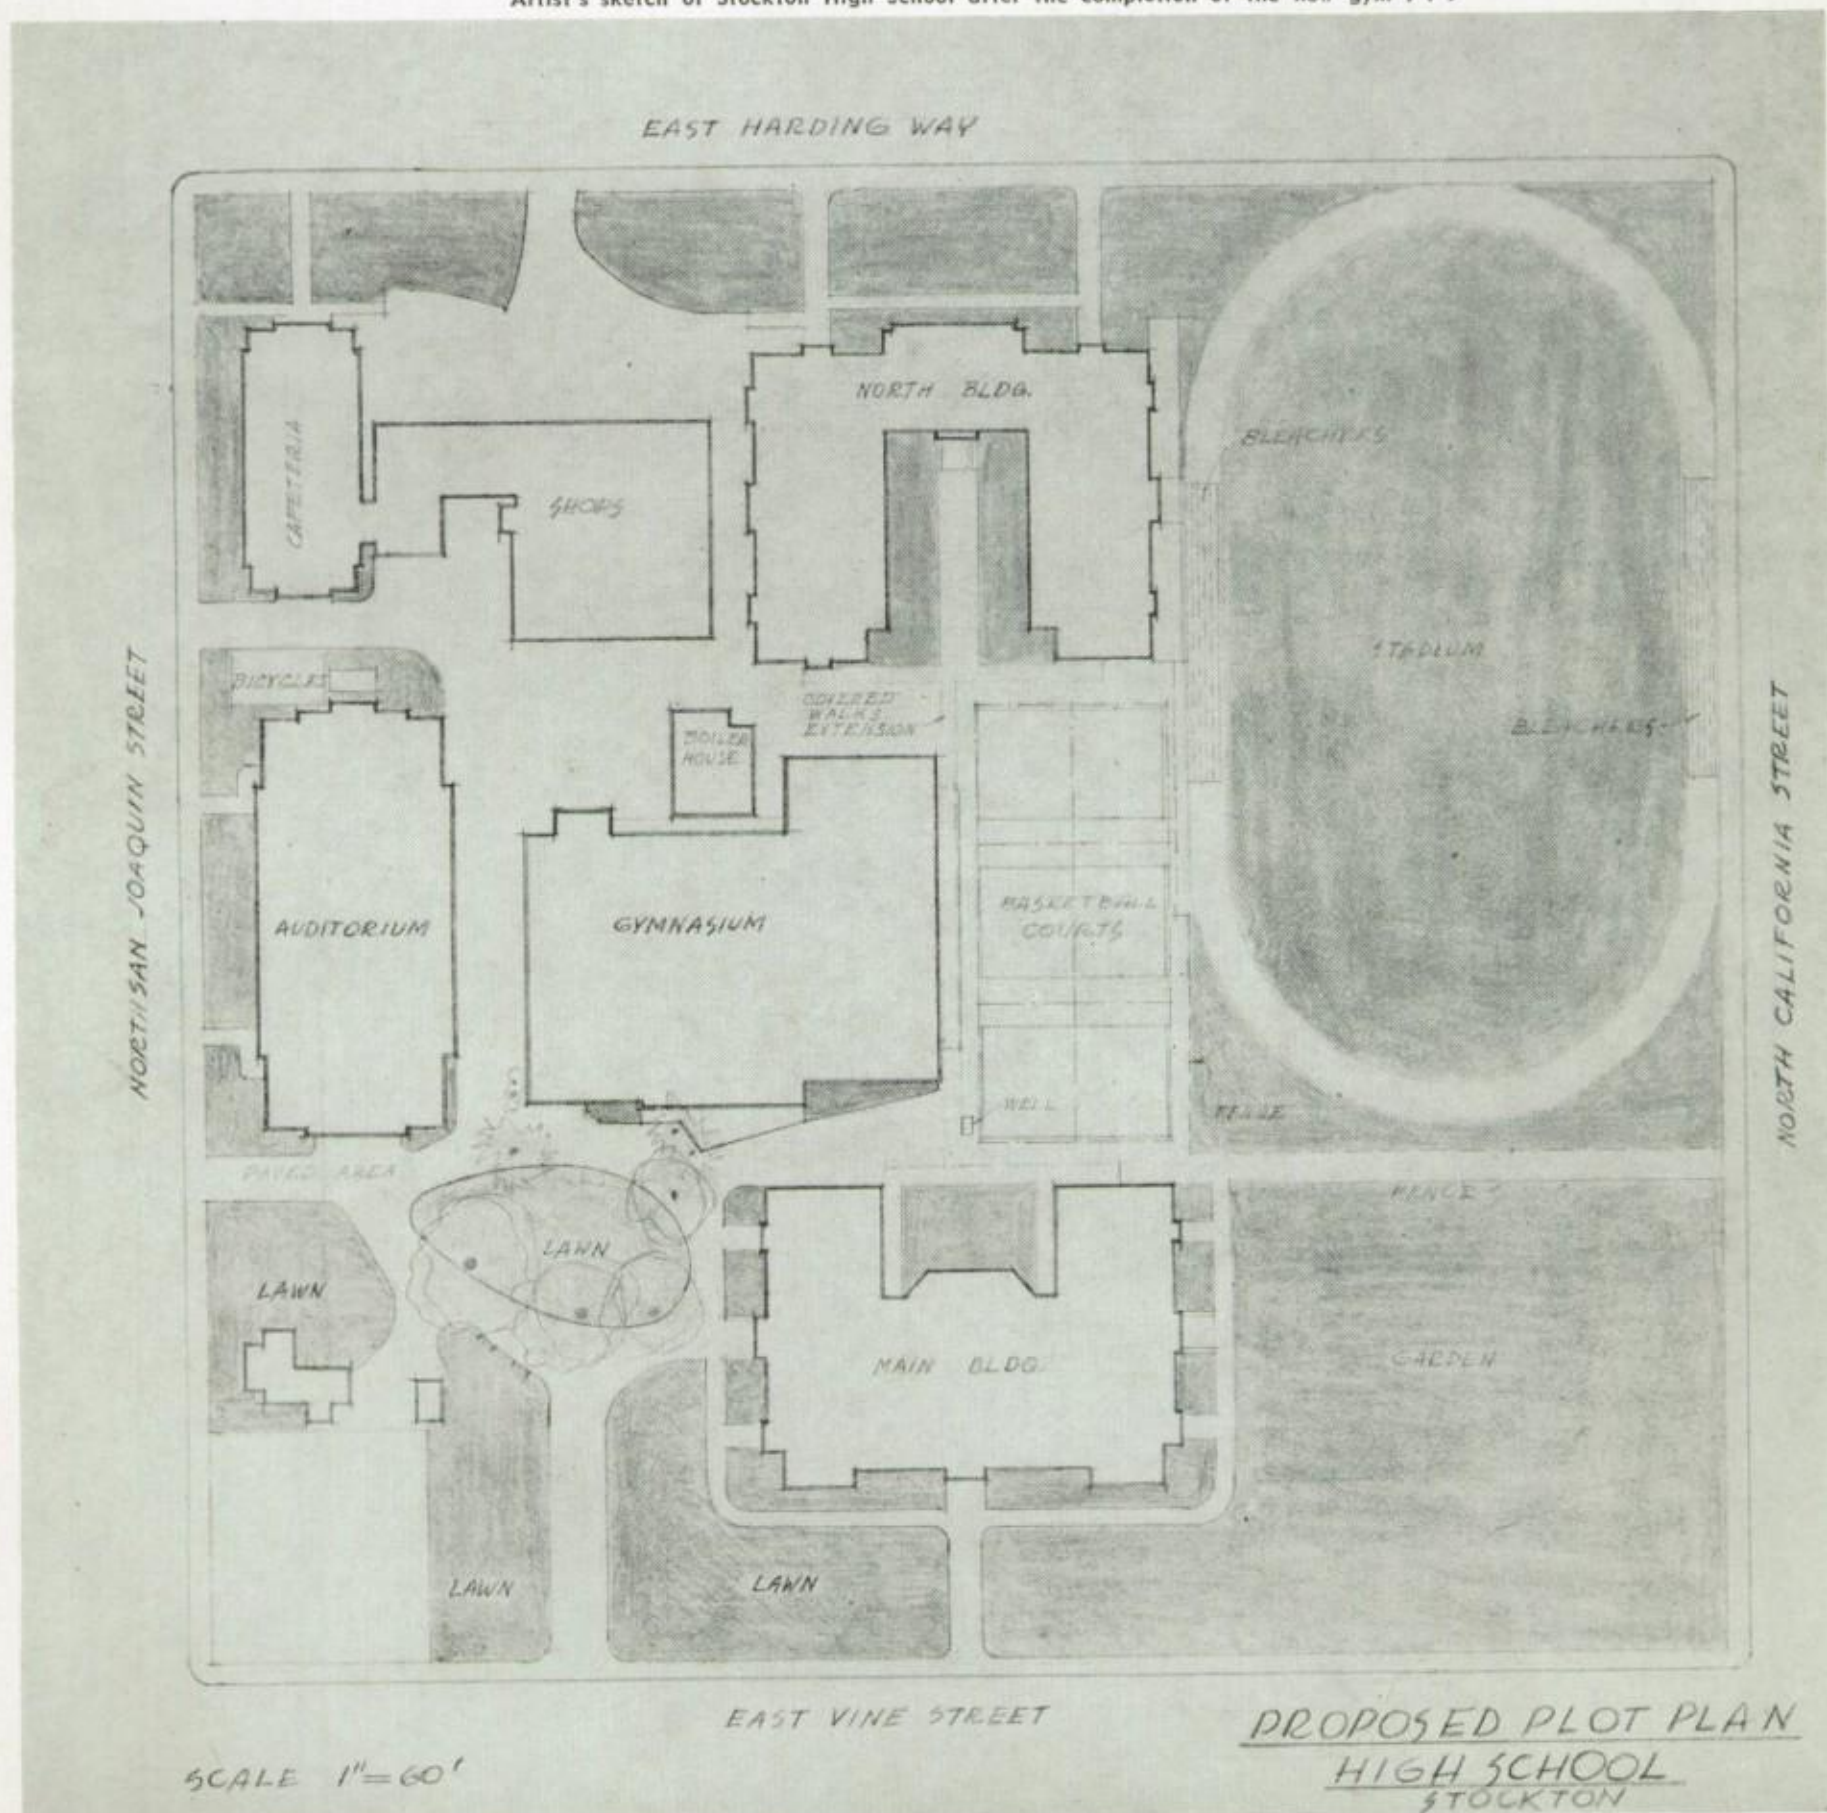

Last June 8, Jacquelyn and Joan were attending a farewell party for Band Instructor Bruce Hubbard at Lodi Lake. The girls went boating with two Stockton High boys. The two couples came too close to the fish ladder at Woodbridge Dam; their tiny boat was sucked in by the rapid current and split apart, forcing its passengers into the stream. The two boys were pulled from the water by nearby farm workers, but by the time this was accomplished it was too late to rescue the girls.

Joan and Jackie were known quite well around SHS. Truly, it was a great loss to all concerned. We remember them today as two of Stockton High's finest.
